DISCLAIMERS

Color Variation: While we strive for accurate product images, slight color variations may occur due to factors like screen settings, lighting conditions, natural leather variations, and slight differences in finishes over time.

The printer of this catalogue follows the specifications of the ISO 12647-2 norm.

* The standard heights for uppers and high stiffeners are based on a size 8 for men and a size 5 for women and may vary in smaller or bigger sizes.

DISCOVER THE NEW GENERATION OF NIMCO MADE4YOU SOLE UNITS

Our R&D lab continuously works to develop innovative solutions that elevate both comfort and performance. With this new generation of sole units, we introduce an improved balance of durability, cushioning, flexibility, and design. Engineered with attention to every detail, these soles are created to deliver the trusted quality you expect from NIMCO, while enhancing the overall wearing experience.

Discover the new sole innovations throughout the following pages.

SMART LINE IS A CONTEMPORARY COLLECTION

A contemporary collection where functionality, comfort, and affordability come together. Tailor-made orthopaedic footwear designed for everyday life, created for people with their own unique story and an active lifestyle.

With attention to detail and true craftsmanship, we create shoes that are simple, stylish, and reliable. Smart Line proves that functional footwear can also be modern and accessible.

A smart step towards the future of orthopaedic footwear.

Search for this symbol in the following pages.

The Collection

The 2026 collection was developed from one clear belief: shoes should feel good and look good.

Our assortment offers a wide selection of models and styles, ranging from sporty and casual to classic and more urban. Different silhouettes, materials, and details create a collection that appeals to a wide variety of tastes and personalities.

We carefully selected shapes, colors, and materials that reflect today's streetscape. Models with a contemporary look that at the same time offer full scope for technical adaptations and individual customization.

With every decision, we sought the right balance between aesthetics, comfort, and sustainability. Not because trends are leading, but because we believe people feel better in shoes that reflect who they are.

NIMCO MADE FOR YOU

We are proud to present our new collection.

A collection that reflects what Nimco stands for. Shoes that provide support, but above all contribute to something that goes beyond comfort alone. When someone can move more freely and step outside with greater confidence, we know exactly why we do what we do.

This collection has been curated with great care. Broad in possibilities, contemporary in appearance, and developed with close attention to comfort, quality, and sustainability. Every model provides a foundation that can be fully adapted to the wearer's individual needs and preferences.

Our collaboration with orthopedic shoemakers, specialists, and other professionals is of tremendous value. Through shared knowledge and craftsmanship, we create shoes that not only perform exceptionally well, but also make a meaningful difference in the everyday lives of the people who wear them.

TOGETHER, WE MAKE A VALUABLE CONTRIBUTION TO
COMFORT, MOBILITY, AND SELF-CONFIDENCE.

From Craftsmanship to Confidence

BEHIND EVERY PAIR OF NIMCO SHOES ARE PEOPLE

People who design, develop, cut, stitch, and finish with care and precision. People who understand their craft and work every day with dedication on a product that can be of great significance to someone else.

In our factory in Portugal, traditional craftsmanship meets modern technology. Much of what we make is still crafted by hand. This is where the attention, precision, and dedication lie that are essential to creating shoes that truly make a difference.

At the same time, we continue to invest in innovation. We are currently building a new factory to prepare for the future: a place where we can work more efficiently, further advance sustainability, and provide even better working conditions for our employees.

For us, progress is not only about technology or capacity. It is about the way we work together. With colleagues, suppliers, and partners. We believe in openness and in long-term relationships built on trust.

Because ultimately, we do not make shoes alone. We make them together.

WE WERE MADE FOR YOU

NLS

NIMCO LACING SYSTEM

Thanks to the NLS closure system, the shoelace is rapidly becoming a thing of the past.

It is a fundamental shift in function and performance that has ushered in a new era of human movement.

WOMEN & MEN

OrthoFashion[®]

by NIMCO

ORTHOFASHION BY NIMCO

Orthofashion is at the heart of everything we create.

We combine contemporary design with innovation and craftsmanship, shaping the future of the orthopaedic shoe industry through style, comfort, and modern elegance.

Orthofashion by Nimco redefines shoe design and development through a refined balance of aesthetics, comfort, and innovation. Our vision is to create some of the world's most elegant orthopaedic footwear, where fashion and functionality exist in perfect harmony.

A contemporary approach to design, crafted with exceptional comfort, confidence, and individuality in mind.

NIMCO MADE FOR YOU

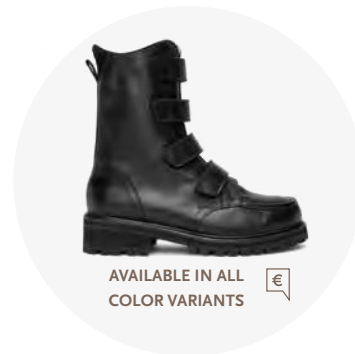

WOMEN

We design every pair with thoughtful attention to comfort.
Through custom-crafted models, we create shoes that reflect every
personality, from bold and daring to soft and subtle, from strong and
structured to light and refined.

Elegance and confidence come together in warm, neutral tones.

NIMCO MADE4YOU

SAFETY SHOES

- Water-repellent leather and suede
- Anti-static cloth lining
- PU sole with the required physical strength for foot protection as well as satisfactory resistance to oils and acids
- Aluminum toecaps, produced and applied in accordance with international standards and protecting the foot from crushing by heavy objects.
- The anti-perforation foot base is protected by a high moisture absorbing and desorbing capacity insole.
- A firm heel stiffener is used in the heel area. It also has the adequate shape for walking stability.

WOMEN & MEN

All footwear materials have been individually tested to meet standard EN ISO 20345:2011 requirements.

THIS STYLE CANNOT BE CUSTOMIZED

CERTIFIED BY STANDARD:

HOUSE SHOES

At Nimco, we value and respect people, there is a mutual trust that defines the affective environment in which we bloom and look into a better, healthier future.

A mission of hope, stories and orthopaedical shoes built to your needs, fitted to your unique personality. Staying at home can be challenging. So Nimco gave it some thought.

NM4Y house shoes are light and soft yet giving you the protection and support you need while you do your household chores.

NIMCO MADE FOR YOU

Craft Meets Care

When a shoe fits well, walks comfortably, and looks good, something special happens. People move more easily, feel more confident, and step outside with greater assurance. To us, that is the true value of this collection.

“True comfort begins
with a shoe that
inspires confidence.”

This is what we work toward every day with conviction. Together with our partners, we create shoes that provide comfort and truly make a meaningful difference in the daily lives of the people who wear them.
